Board of Selectmen
Town of Jaffrey
Town Hall
Jaffrey, New Hampshire, 03452

Gentlemen:

In March 1981, the Town of Jaffrey engaged Truman C. Edwards & Co., to conduct an examination of the financial statements of the town as of December 31, 1980. The following report presents our findings and recommendations resulting from observations made during our audit. The purpose of a management report is to point out weaknesses in the town's internal accounting control. As a part of our examination, we have made a study and evaluation of the Town's system of internal accounting controls to the extent we considered necessary to evaluate the system as required by generally accepted auditing standards. Under these standards, the purposes of such evaluation, are to establish a basis for reliance on the system of internal accounting controls in determining the nature, timing and extent of other auditing procedures that are necessary for expressing an opinion on the financial statements.

The following items which in our opinion, were not of such materiality to warrant a qualification in our accountant's opinion are presented on the following pages.

Very truly yours,

/s/ Truman C. Edwards & Co.

TOWN OF JAFFREY

Findings and Recommendations

Taxes Receivable

It was noted that as of December 31, 1980, the tax collector's books and records were not up to date. It was necessary to spend a considerable amount of time in analyzing and adjusting the tax collector's warrant books to produce a reliable listing of outstanding taxes receivable. It is recommended that the tax collector keep all warrant books up to date so that an accurate record of all taxpayers is maintained at all times as recommended by the Department of Revenue.

The tax collector does not maintain a prescribed cash book as recommended by the Department of Revenue for recording cash receipts. It was also found that the loose leaf sheets now in use were not consistent in format from page to page resulting in a considerable loss of time and effort in reconciling monthly cash receipts to the Treasurer's cash book. It is recommended that the tax collector maintain all cash receipts in a cash book prescribed by the Department of Revenue. Cash receipts should also be recorded when received and reconciled to the Treasurer's cash book on a monthly basis.

The collection procedures on yield tax in 1980 was to apply yield bond to yield tax committed to the tax collector. The collection procedure required by the Department of Revenue is to collect yield tax and then after collection release bond to taxpayer who filed report on timber cut. Because of lack of records and documentation of yield taxes and yield bonds, considerable time and effort was needed to determine the outstanding yield taxes due to the Town of Jaffrey and to determine the amount of yield bonds still held in escrow by the town for taxpayers intent to cut timber. It is recommended that the tax collector not only reconcile yield tax receipts with the Treasurer, but to also include monthly reconcilement with the Selectmen's secretary.

Misplaced deposits and cross posting errors in boat tax receipts made it difficult to reconcile amounts recorded by the Treasurer. It is recommended that all boat tax collections be recorded in the prescribed tax collector's cash book and reconciled monthly to the Town Treasurer. Prenumbered receipts would also serve as a double check when the boat tax receipts are turned over to the tax collector by the deputy tax collector.

As of December 31, 1980, various taxpayers whom no longer reside in Jaffrey are still listed in the warrant book as resident taxpayers due and outstanding. It is recommended that the tax collector reconcile the resident warrant books and provide the Selectmen with a list of outstanding resident taxpayers to be abated.

Prior year outstanding real estate taxes were not in all cases sold at property tax sale. It is recommended that to protect the town's priority lien, all outstanding property taxes due after October 1 of preceding year should be sold at the tax sale.

Findings and Recommendations
(Continued)

Taxes Receivable (Continued)

It was found that trial balances are prepared only at year end for outstanding taxes, refunds and abatements. It is recommended that trial balances of cash receipts, abatements and outstanding taxes be taken quarterly or semi-annually.

General

The Selectmen's secretary maintained a listing of notice of intent and reports of timber cut filed. It is recommended that this procedure be contined with a few modifications. Documentation should be maintained in a hard bound ledger book. A recommended accounting format is listing below:

INTENTS

Date Issued	Intent Number	Issued To	Lot Number	Bond Amount	Date Report Filed	Date Bond Returned

REPORTS

Date Filed	Operation Number	Filed By	Amount Committed To Tax Collector	Warrant Number

It is also recommended that anyone filing an intent, that has outstanding yield tax due from reports on timber cut already filed, should be required to post a larger bond. Amount of increase should be determined by the Selectmen so as to encourage payment of outstanding yield taxes.

Special Acknowledgement

The usual cooperation of the town officers and employees in facilitating our work was greatly appreciated.

REPORT OF THE JAFFREY PUBLIC LIBRARY TRUSTEES

All branches of the Library maintained and improved service to the community over last year's levels, even though there is economic recession, and the circulation figures continued to rise for both adult and junior areas. Without the help at the desk of the devoted and hard-working group of volunteers, this would not have been possible, and we owe them a great debt of gratitude. We also thank those who help us with typing, keeping statistics, re-shelving old newspapers, with the recataloging of the record collection, and the film programs.

The purchase of audio-visual and video equipment made possible by the gift last year from the First Congregational Church in Jaffrey Center was completed in the Spring. Programs were set up to demonstrate the use of each piece of equipment, and members and friends of the congregation were invited to spend a Sunday afternoon reviewing these. Since September, use has been made of some of this equipment; weekly filmstrip/cassette stories are enjoyed, and many have enjoyed our own taped video cassettes of the Royal wedding, and the shuttle flights. The Muppet Movie, which we have bought, was shown during the school vacation, a local firm has made use of the opaque projector, and we expect to expand the use of all audio visual and video material during the following years.

Children's use of the Library continues to grow with the support of the Grade School and St. Patrick's School, and classes visit regularly for book exchange, story times, and film programs. Two pre-school story sessions were held in the Spring and the Fall, parents again enjoying meeting together, and we are all grateful to Grandma Cleverdon for her help in the first series. Stephanie Minteer's reading enrichment group read Amos Fortune, Freeman; and author Elizabeth Yates came to their final meeting to answer their questions. We hope to be able to offer similiar programs in 1982. The summer activities were again well supported. The children's librarian conducted six Storytimes, and 'Make a hit with Reading' and the baseball posters, drawn by our volunteer, Brenda Wallington, attracted 196 participants, and 130 certificates were awarded at the annual party. Everyone enjoyed 'The Little Red Wagon's' performance in August, and some 65 theater enthusiasts were ferried to Andy's Playhouse by kind parents, and all thoroughly enjoyed the Children's Theater performances in their new home in Wilton Center.

It was a year when all library staff and patrons became involved in the passing of new legislation for the State Library, and then joined in the fight against severe budget cuts which would have crippled the State Library and its use to all public libraries. With the closing of the Keene office, the Book Mobile collections are being relocated in Concord, so this service has been somewhat curtailed this year. However, the reorganization should be finished early in 1982. We are taking part in working out the practical aspects of the new laws, and continue to support the District Advisory Council meetings, now known as area forums, one of which was held in Jaffrey for the first time in April. Staff members have taken part in the Nubanusit Library Cooperative meetings and plans, attended the Spring and Fall Conferences of the N. H. Library Association, and were responsible for arranging a program sponsored by the Association called 'New Hampshire Writers'. This was held in the Civic Center, and included a film and a speaker, and, since this was our first project for adults, we were pleased with a large and appreciative response.

As part of our energy conservation program, ceiling fans were installed in three rooms on the second floor. Our problems distributing

heat evenly through the building continue, and this will be a major concern of the Trustees next year.

The Trustees received the resignation of Helen B. Krause with regret and deep appreciation of her many years of devoted and untiring service to the Jaffrey Library, both as a mamber of the Board and as its chairman for a long period. We welcomend Jean B. Page to the Board. The Board and Staff wish to thank all who have supported the Library in any way this year, by their gifts of books, periodicals, records, A/V materials, donations, and of their time and interest. We acknowledge with gratitude the bequests from the estates of John Morgan, Clarke Wilcox, and Ruth Bernbaum.

REPORT OF THE JAFFREY RECREATION DEPARTMENT

1981 was a year of evaluation for the Recreation Department. Programs as well as procedures were scrutinized and changes were made. Programs offered were adequate, such as adult classes, trips, and swimming. Improvement was needed in the other areas such as pre-school and grade school programming and programs for young adults. Changes were made in an attempt to offer a well designed program which would meet the needs of all age groups in the community, without extensive growth and expansion. This will remain our goal in 1982.

TRIPS

The Department planned and conducted 32 trips during 1981. 1231 participants traveled to such places as Canobie Lake Park; Weirs Beach; Hampton Beach; Bennington, Vermont; Booth Bay, Maine; Quincy Market, and many others. Evaluations indicate that trips are among the most popular programs offered by the Department.

SWIMMING

337 children and adults participated in organized swimming programs during the year. Programs included waterproofing, childrens' instructional classes, Mommy N' Me, water phobia, lifesaving and synchronized swimming. Programs were conducted both at Clarke Memorial Pool in Winchendon, and at the Town Beach. In addition it is estimated that 3000 people used the Town Beach during the summer. These programs are considered to be both essential and effective. Evaluations by participants continue to be very positive and supportive.

ADULT CLASSES

The Department conducted 29 adult and young adult classes during 1981. 467 people attended. Classes ranged from auto repair and basketry to chocolate making workshops. With the retirement of the Tolmans the Department was urged to continue the ballroom dancing program. We were very fortunate in obtaining the services of a Franklin Pierce College student to continue this tradition. 37 Middle School age students attended. The Crotched Mountain Ski Program was again popular with 58 students participating.

AIM

Early in the year it was decided that additional programs were needed for grade school age children. As a result AIM (Adventure In Movement) was developed. Programs in gymnastics, outdoor living skills, basic motor skills, drama and others were developed and conducted. A six week day care was held during the summer months. 75 children have participated in the 4 programs. Evaluation and comments from parents indicate good success. During 1982 a refinement of the program is planned.

SPECIAL EVENTS

Three Special Events were conducted during 1981. The Winter Carnival featured broom hockey, seniors luncheon, and family and student activities. About 200 people participated despite uncooperative weather. Jaffrey Halloween featured a children's party with about 100 children in attendance. Jaffrey Christmas consisted of the annual Christmas Fair with about 350 in attendance, and the caroling and lighting of the town decorations with about 75 in attendance. Jaffrey Jubilee was not held due to organizational problems, but plans are underway for 1982. 47 participated in the Jaffrey Road Race.

SKATING RINK

The Humiston Field Skating Rink was popular but the weather forced an early closing. During the late summer and fall the area was

resurfaced and new lights were installed. The facility which is made possible through the continual support of the Lions Club will now have the potential of year round use; skating during the winter months, and court games during the summer.

COOPERATION WITH COMMUNITY ORGANIZATIONS

The Recreation Department has continued to work with Community and School organizations such as the Jaffrey Baseball Association, Jaffrey-Rindge Softball Assocation, Conant High School Student Council, Monadnock Babe Ruth League, and others in supporting their programs.

SURVEY & EVALUATION

In an effort to continually meet the needs of the Community, the Department has developed an ongoing program of surveys and program evaluations by participants. Many new ideas have been forthcoming as well as many positive suggestions for improvements. We appreciate the help of all who have returned survey and evaulation forms.

SUMMARY

1981 was a successful year for the Recreation Department. Participation was excellent and a variety of activities were conducted for all age groups. The evaluation of services has led to both new and adapted programs, to meet the needs of all. 1982 should lead to the refinement of the many programs now offered.

The Recreation Committee wishes to thank each and every person who helped make this year the success it was. To all the participants, volunteers, and program leaders, thanks. To the Jaffrey-Rindge School District, Jaffrey Public Works Department, Jaffrey Police Department, Jaffrey Community Organizations, Community Merchants and businessmen, Town Officials, and all the others who provided the tremendously needed support and cooperation, thanks, without all of you the programs and activities we offer would not be possible.

REPORT OF THE BOARD OF ADJUSTMENT

The Jaffrey Board of Adjustment has instituted three policy changes this past year.

1. The first paragraph of the Jaffrey Board of Adjustment Procedures for Appeal, was changed to read: IF you have been denied permission from another Town Agency to build or to otherwise change the use of your property, you may seek relief from the Board of Adjustment. The following information is to help you in presenting your proposal to the Board. Further information may be obtained by contacting the Chairman of the Board of Adjustment.

2. Section II-B-1 of the Jaffrey Board of Adjustment Procedures for Appeal was changed to read: Include all landowners whose property adjoins or is directly across the street or stream from the land under consideration.

3. It is the policy of the Board that there will be no smoking during its public meetings.

Your Board of Adjustment meets the first Tuesday of each month, and all applications must be received by 5:00 p.m., two weeks prior to the hearing date. When an extremely heavy load of cases is received, the Board will also have a hearing on the third Tuesday of the month.

Two Board members will be at the Town Office Building from 7:00 p.m. to 8:00 p.m. the second Wednesday of each month to assist applicants with the applications and to answer questions.

REPORT OF THE JAFFREY PLANNING BOARD

At Town Meeting last year the voters approved changes in the Land Use Plan which brought it in line with the Master Plan and we thought that these regulations would remain stable for a few years, at least. But a new state law regarding mobile homes necessitates several changes. The Planning Board has recommended the adoption of one option available to the town for the control of mobile homes, and that question has been placed on the ballot for the 1982 Town Meeting.

In addition to its normal work, the Board again devoted much time to actions aimed at further implementation of the Master Plan. As in the past several years, the town has been extremely fortunate that a number of public spirited individuals have volunteered to work on committees considering specific tasks. Their service deserves special mention in this report.

FIRE STATION STUDY COMMITTEE: Francis Bourgeois, Ronald Boutwell, Robert Camiere, Philip Cournoyer, Henry Gallup, Richard Pickford, Donald Sawtelle and Donald Stewart.
OLD FIRE STATION STUDY COMMITTEE: Brent Aucoin, Joseph Crocker, Arthur Hamilton, Robert Lawn, and Stella Pillsbury.
DOWNTOWN STUDY COMMITTEE: Robert Bussiere, Richard Grodin, B. Leonard Krause, Molly MacCready, Donna Ryan, Robert Stephenson, Roy Stone, and John Weidner.
ROAD STUDY COMMITTEE: James Balentine, Carroll Bowers, Robert Brandin, Archie Coll, Jr., Gale Kenyon, Kenneth Maines, Kent Royce and Harold Sands.

Our special thanks to Ken Saunders, Superintendent of Public Works, for his invaluable assistance to all of these committees and to the Board.

The Planning Board meets regularly at the Town Office Building at 7:30 p.m. the second Tuesday of each month, unless holidays or the nature of public hearings require special meetings or a change of date. Time is always reserved at the beginning of each meeting for informal, preliminary discussions with any person who has a matter to bring before the Board. This kind of discussion has become more important to people wishing to subdivide property, as recent changes in state law have made that process more complicated and protracted.

Again this year, our activities have meant frequent committee meetings and more than a few late nights for the members of the Planning Board. I wish to thank each member and each member of the Sounding Board serving on special committees for the zeal, devotion to town service, and the patience shown throughout the year.

Richard A. Grodin
Chairman
